

How to explore a Loud Speakr

1 - Open App

2 - Let's Go

Tap 'Let's go...'

3 - Grown ups...

Tap 'Grown ups, listen to the future here'.

Making Speakrs is only for kids!

4 - Open AR

Press the compass or navigate on the map to the Loud Speakr near you. If you are within 100m of the Loud Speakr, tap on it and open the Augmented Reality (AR) experience.

5 - Explore

Move around and explore. Go inside the Loud Speakr and see the world through it.

6 - Share

Tap a sphere to listen to the Speakrs inside!

Post a screen-shot on social media of your favorite view.

Olafur Eliasson, 2020

Earth Speakr is created by Olafur Eliasson with his studio, kids, creative partners, and a group of researchers and experts, and is funded by the Federal Foreign Office on the occasion of the German Presidency of the Council of the European Union 2020 and realised in cooperation with the Goethe-Institut.
